

# Hornby Rugby Football Club Community Advertiser

The Hornby Community Advertiser was the first Junior Club Fundraiser of the 2014 season.

As we plan on making this an annual fundraiser, this advertiser was labelled 2014.

Planning this advertiser involved investigating the types of businesses, trades and services that members of our community would benefit from having contact information for immediately on hand.

We segregated this advertiser into sections for example in the trade section we have listed a builder, painter and electrician. In 2015 we aim to also list a plumber to complete this section.

In order to make this a successful means of promoting the business trades and services listed on this advertiser, we have made this an exclusive listing. Meaning we have only listed 1x business of each trade. Advertisers have been printed on coloured card in a bookmark shape and with a magnetic backing, designed to be displayed on the Fridge for immediate access.

As this listing is exclusive and has a magnetic backing to adhere to the fridge for immediate access, it eliminates the need for members of our community to refer to such advertisers as The Yellow Pages, which list multiple businesses of each trade and service.

Advertisers were distributed to each member of the Hornby RFC as well as Hornby Netball Club, a number were also distributed to each listed business and the remainder were distributed in a mail drop in a target area.

To express interest in advertising you're business, trade or service on the 2015 advertiser, please contact;

Kerry Wells at [junior.club.captain@gmail.com](mailto:junior.club.captain@gmail.com) or call 0275252166

Kind regards

Kerry Wells

Hornby RFC Junior Club Captain
